Hi Peter,

Concerning documents identified during the recent Hax deposition, please advise whether Amtrak will produce the native excel spreadsheets showing the basis of the total amount column and add-on amount columns in the Timberline pricing, and whether Amtrak will produce the CMC support schedules providing the basis of the recently revised CMC summary schedules. We request that all of the recent CMC summary schedules, and production of the Timberline pricing, be produced electronically in full native format.

This request also extends to HNTB support schedules behind items in Appendix B of its report.

Thanks,

Tim
